To Parents: By signing this form and registering your child for this tournament, we expect the child will participate unless there is a family emergency or illness. Due to recent virus issues, we strongly request that any player that does not feel well, have a cold, etc. not attend training sessions while this condition exists.. We must be notified prior to the start of the tournament. This is crucial because the rounds have to be established prior to the day of the event.

Thank you.
